Charlie and the Chocolate Factory

What an adventure we had last Wednesday! We set off with many excited students ready to visit Melbourne. For many this was not only their first live show, but their first train trip also.

We took over carriage 1 on the way to the city, with many laughs, games, and fun had. We ate our lunch at the beautiful Parliament Gardens across the road from Parliament station. Our first day of beautiful Melbourne sun kept the children entertained.

The show was fantastic! Lots of lights, laughs, noises and effects. Any yes, Violet does blow up round like a blueberry!!! The senior students were grouped with the Prep / 1 students and were fabulous role models and helpers for our younger students.

A wonderful day was had by all, with very tired children on the train home that afternoon.

Thank you to the children for their excellent behaviour and to the staff and helpers on the day.

A message from Mrs Honeysett

Greetings from Waratah Bay! Mrs Eeles, Sue, Erin and myself have enjoyed some beautiful weather and fabulous company on the Grade 3/4 camp at Waratah Bay since Wednesday this week. It is a real privilege to come out here and spend quality time with our students in such an amazing environment. We have shared many experiences together from risk-taking activities like the 'Big Swing' and 'Rock Wall Challenge' (which even Mrs Eeles did) to the more serene activities like walking to Chicken Rock to explore the rock pools and marine life. Camp experiences allow me to build relationships with students in a way that I would not be able to do during a normal working week.

Our students have certainly made us proud with their integrity, respectful and caring nature and their motivation to try new experiences. I'm sure they are all looking forward to the holidays so they can recover from our action-packed week of activities.

Charlie & the Chocolate Factory

Last week the whole school was fortunate to visit the city to view the spectacular Charlie & the Chocolate Factory Musical at Her Majesty's Theatre. As you can imagine, to get 70 students on and off a train is a challenging task but our students did it with ease and respect. It was lovely to see our older students offering seats to other members of the public instead of themselves as well as offering them to our junior students to ensure they were safe and comfortable.

The musical itself was incredible. The second half was extremely impressive in the Chocolate Factory where all Wonka's dreams come to life. The students enjoyed the amazing sets, live orchestra and how they could relate it to the book or movie.

Divisional Athletics

Congratulations to Chaise, Evie and Charlotte for making it through to the Regional Athletics. Chaise came 2nd in High Jump, Evie came 2nd in Shot Put and Charlotte came second in Discus. This is a huge achievement and we are really proud of you. Go Upwey!!!

ICAS testing

Congratulations to all of those students who participated in the ICAS testing last week. The University of New South Wales covers ICAS testing in several subject areas from Grades 2-6. The International Competitions and Assessments for Schools, or ICAS for short, is an independent, skills-based assessment program. ICAS recognises and rewards student achievement in areas such as English, Maths, Science, Spelling, Writing and Digital Technologies. The series of tests are designed to match and test skills that are learned in the school classroom. This year was the first time these tests were delivered online which initially was a challenge but once we were up and running, the children were all over it.

Community Writing

Our Information Reports have been on display in the foyer for the last two weeks. Thank you to everyone who came down to read the students' work. All students take pride in the work they present and it is lovely to have a purpose for publishing and share their achievements with others.

Year 6 Graduation & Funfields.

Graduation has been booked for Tuesday 17th December at Garfield's Function room in Ferntree Gully. Our students are very excited about their big event. The year 6 end of year fun day has been booked for Funfields on Wednesday 18th December. Please put these dates in your calendar and we will follow up with more details next term.

Swimming Program

The Swimming program will take place from the 12th – 22nd of November. Swimming will run from Tuesday – Friday for two weeks at Belgrave Outdoor Swimming Pool. We will follow up with more details next term.

Footy day lunch

A huge thanks to our P.A. team who have organised a wonderful end of term "Footy Lunch" for our students, the students had a choice of Hotdogs, Pies or Pasties. It is great to see the students dressed up in their favourite footy team colours.

Holidays

We wish you all a safe and happy holiday break with your families and look forward to seeing you all next term.
